

**Networks configured for the needs of
specific populations and cost strategies**

With UnitedHealthcare, you have options. In the Chicago/Northwest Indiana market, we offer a variety of PPO, HMO and ACO plans with both broad and high-performing networks to suit our customers' needs.

PPO

Choice Plus

Our largest network

Broad access to providers

Core

Our high-performance network PPO

HMO

Navigate

Our full HMO

PCP coordinated care

Charter

Our high-performance ACO HMO

PCP coordinated care

ACO

NexusACO

Accountable care organization

Benefit levels tiered based on where members seek care

UnitedHealthcare Choice Plus

With UnitedHealthcare Choice Plus, members choose from any of the 1,196,400+ network physicians and health care professionals, including specialists, without a referral or selecting a primary care physician (PCP). There is coverage outside the Choice Plus network, but members can expect a lower benefit level.

How we help members choose the care that's right for them

UnitedHealthcare helps deliver access to resources and personal support with our member website myuhc.com. Easy-to-use tools can help members:

- Find UnitedHealth Premium® doctors who meet quality and cost-efficiency guidelines
- Estimate the costs of specific services ahead of time
- Discuss treatment options with a physician
- Manage their claims

Additional services available to all Choice Plus plan members

Virtual Visits

Connect with a doctor for non-emergency care online, anytime.

- Available 24/7 and takes about 20 minutes

Our UnitedHealthcare® app

- Get access to health plan information
- Find a physician nearby
- Check the status of a claim

Customer Service

Our Customer Service professionals answer a variety of health plan questions. Members simply call the toll-free member number on their health plan ID cards.

UnitedHealthcare Core

Core plans give members the freedom to choose from any health care professional in the UnitedHealthcare Core network, including specialists, without a referral or choosing a PCP. Since Core is an open-access product, members can seek care from any provider, but they may pay more out-of-pocket costs when they do not seek care from network providers or facilities.

Value

- **Lower price** point allows employers and employees to benefit from lower premiums

Flexibility

- **Plan design options** are flexible and have the ability to support a range of benefit designs including HSA-compatible plans
- **Dual option** is available with Core, or it can be sold as a stand-alone product

Access

- **Virtual Visits** allow members to connect with a doctor for non-emergency care online, 24/7
- **Core national network** allows members access to health care services nationwide
- **No requirement to choose a PCP**
- **Out-of-network benefits.** Members have the option of seeing out-of-network providers with more limited coverage, rehabilitative services and devices, and wellness services
- **No referrals required**

UnitedHealthcare Navigate®

UnitedHealthcare Navigate is an HMO plan design that requires the selection of a PCP to help simplify and coordinate care. By actively promoting quality care and guiding employees to use health care more efficiently, the PCP can help save both time and money. The PCP will provide routine care, such as annual well visits and preventive care, treatment for minor injuries and short-term illnesses. They also coordinate care and make electronic referrals to other network physicians and specialists.

Encourage care decisions that also offer cost savings opportunities

- PCPs provide regular and routine care, like annual checkups. They also coordinate care by network physicians and specialists.
- Referrals are required for other network physicians or specialists
- No out-of-network coverage, except for emergency care
- Access to Virtual Visits so members can connect with a doctor online for non-emergency care, 24/7

Health plan ID cards

The name and telephone number of the member's PCP will be listed on their health plan ID card. Members should present their health plan ID card to their provider at every visit so their provider bills UnitedHealthcare correctly. Members can also view and share their health plan ID card by using the UnitedHealthcare mobile app.

The UnitedHealthcare Core product is designed to accommodate a limited network of participating physicians, health care professionals, hospitals and facilities ("providers"). Except in emergency situations, members should confirm their provider is participating in this product before receiving services to receive the highest level of benefits. Network status may be determined by calling the number indicated on the health plan ID card or visiting myuhc.com®.

UnitedHealthcare Core is available to groups situated in Chicago (Boone, Cook, DeKalb, DuPage, Grundy, Iroquois, Kane, Kankakee, Kendall, Lake, La Salle, McHenry, Will and Winnebago Counties) and NW Indiana (Lake, La Salle and Porter Counties) only.

UnitedHealthcare Charter®

In six Illinois counties, UnitedHealthcare, together with Advocate Health Care, is offering health plans designed to enhance the patient-doctor relationship and help promote better health with little to no out-of-pocket costs.

5,000+ PCPs and specialists at 400+ care sites

Benefits include: ambulatory, chronic disease management, emergency services, hospital care, lab services, mental health and substance use disorder services, pediatric oral and vision services, pregnancy and newborn care, prescription drugs, preventive care, rehabilitative services and devices, and wellness services.

- Advocate Health Care's 24/7 scheduling on its app or website
- Advocate Health Care same day PCP visits
- Access to Virtual Visits so members can connect with a doctor online for non-emergency care, 24/7

How UnitedHealthcare Charter works

- Members must select a network PCP — either a general or family practitioner, internist or pediatrician — from Advocate's high-performance ACO network, or one will be selected for them
- PCPs provide care for the majority of health care needs, whether it be for a preventive visit or an illness or injury, as well as provide a referral when specialist care is needed
- Out-of-network coverage is not available, except for emergency care
- Members must obtain a referral from their designated PCPs before they see any other network physician or specialist

NexusACO®

UnitedHealthcare NexusACO is a tiered benefit plan built on a collaborative relationship with the ACO, Advocate Health Care, in the 6-county service area of: Cook, DuPage, Lake, Kane, Kendall and McHenry. Outside of Illinois, NexusACO offers access to 40+ ACOs in 31 markets or UnitedHealth Premium designated providers. It's designed for local or national groups interested in premium savings and access to high-quality, cost-efficient providers.

Highlights:

- Premium savings
- Coordination of care among top-tier providers
- Advocate Health Care's 24/7 scheduling on its app or website
- Advocate Health Care same day PCP visits
- Access to Virtual Visits so members can connect with a doctor online for non-emergency care, 24/7

Innovative, Value-Based Network

Focuses on top-performing ACOs and the UnitedHealth Premium program physicians.

Drives use of quality, cost-efficient Tier 1 providers.

All plans require selection of a PCP to improve coordination of care and appropriate referrals to specialists.

The Illinois Charter product is only available to customers who are situated in one of the following counties: Cook, DuPage, Kane, Kendall, Lake and McHenry. Also, Charter members must live and work in the aforementioned 6 counties.

The Illinois NexusACO product (HMO version) is only available to customers who are situated in one of the following counties: Boone, Cook, DeKalb, DuPage, Grundy, Iroquois, Kane, Kankakee, Kendall, Lake, La Salle, McHenry Will and Winnebago. *Based on 2018 UnitedHealthcare Premium Designation's analysis of UnitedHealth Premium Tier 1 providers in the NW Indiana and Northern Illinois service areas outside the 6-county Advocate NexusACO service area.

Getting the best value with NexusACO

Choosing a UnitedHealth Premium designated PCP from Tier 1 may offer the greatest value for an employee's health care benefits.

In the 6-county NexusACO service area, all Advocate Health Care PCPs and specialists are Tier 1. Outside of the 6-county NexusACO service area, approximately 42% of physicians are NexusACO Tier 1 providers.

**United
Healthcare**

Choice Plus provider counts current as of Q2 2021.

The UnitedHealthcare® app is available for download for iPhone® or Android®. iPhone is a registered trademark of Apple, Inc. Android is a registered trademark of Google LLC.

The UnitedHealthcare plan with Health Savings Account (HSA) is a high deductible health plan (HDHP) that is designed to comply with IRS requirements so eligible enrollees may open a Health Savings Account (HSA) with a bank of their choice or through Optum Bank, Member of FDIC. The HSA refers only and specifically to the Health Savings Account that is provided in conjunction with a particular bank, such as Optum Bank, and not to the associated HDHP.

Tier 1 providers may be subject to change, visit myuhc.com® for the most current information or call the number on your health plan ID card.

Certain preventive care items and services, including immunizations, are provided as specified by applicable law, including the Patient Protection and Affordable Care Act (ACA), with no cost-sharing to you. These services may be based on your age and other health factors. UnitedHealthcare also covers other routine services, and some plans may require copayments, coinsurance or deductibles for these benefits. Always review your benefit plan documents to determine your specific coverage details.

The UnitedHealth Premium® designation program is a resource for informational purposes only. Designations are displayed in UnitedHealthcare online physician directories at myuhc.com®. You should always visit myuhc.com for the most current information. Premium designations are a guide to choosing a physician and may be used as one of many factors you consider when choosing a physician. If you already have a physician, you may also wish to confer with him or her for advice on selecting other physicians. You should also discuss designations with a physician before choosing him or her. Physician evaluations have a risk of error and should not be the sole basis for selecting a physician. Please visit myuhc.com for detailed program information and methodologies.

This policy has exclusions, limitations and terms under which the policy may be continued in force or discontinued. For costs and complete details of the coverage, contact your UnitedHealthcare sales representative.

Virtual Visits phone and video chat with a doctor are not an insurance product, health care provider or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times or in all locations.

Copayments are the charge or set dollar amount that members are required to pay for certain services per their benefit plans. In addition to office visit copayments, members may also be responsible for copayments when they visit a facility or hospital. Facility and hospital copayments are in addition to the calendar-year/policy-year deductible and coinsurance. Facility and hospital copayments do not apply to the deductible and continue to apply after the deductible is satisfied. These copayments may be referred to in plan documents as "per occurrence copayments" or "per occurrence deductibles."

Insurance coverage provided by or through UnitedHealthcare Insurance Company, UnitedHealthcare Insurance Company of Illinois or their affiliates. Administrative services provided by United HealthCare Services, Inc. or their affiliates. Health Plan coverage provided by UnitedHealthcare of Illinois, Inc.
